

0 NEAR 2464 OLD 74, CHADBURN, COLUMBUS

SOLD

Located off of Old US 74 near Chadbourn in Columbus County North Carolina, this is a heavily wooded tract that is priced to sell! This would make a great hunting property, and clearing an area in the middle of it for a BioLogic food plot would make it a deer and turkey magnet. Access from Old US 74 is by a 40' wide deeded easement. It is located conveniently near Whiteville
