

LOT 121-C CORCUS FERRY ROAD, HAMPSTEAD, PENDER

SOLD

Large lot, ideal elevation, located in a private community equipped with it's own boat ramp, and boat slips. Forest Sound is the quintessential Hampstead Neighborhood. All the lots have to be AT LEAST 1.25 Acres. Creating the privacy often searched for, but rarely found in this vastly growing region. Come build your dream home, and avoid the long lines at public boat ramps. This lot has a beautiful, natural slope, inclining from the road to the back of the lot. There is a 3 bedroom septic system already in place, but no knowledge of condition.
