

200 10TH STREET, EMERALD ISLE, CARTERET

SOLD

WOW what a great lot and just bushhogged. See pictures. Great location for a family beach cottage or rental investment/second home. A two story house on pilings would have good ocean and sound views as you can see from the back side of the lot, you can see both from 10th street. Just three houses from the Ocean Beach Access, and even closer to the sandy Sound Side beach at the end of 10th Street The plat has been subdivided and recorded recently and the Pin number awaits processing by the Tax Assessor for tax value. The area of 200 10th Street has a high elevation and the lot is not in a flood zone. There is a 4 bedroom septic permit on file.
