

LOT 4 SWAN POINT, WASHINGTON, BEAUFORT

SOLD

Rare find , cleared waterfront lot on the Pamlico River between Washington Yacht and Country Club and Historic downtown Washington. Lot is mostly bulkheaded with a small area not bulkheaded that creates a little cove with a hard sandy beach. Location, location, location, the lot is on a very wide part of the Pamlico River, with endless views and more privacy that most other waterfront lots offer in this area. Lot needs to be perked. Great boating, fishing, and swimming area.
