Chesapeake is included in the Virginia Beach-Norfolk-Newport News, VA-NC MSA. One of the cities in the South Hampton Roads, Chesapeake was organized in 1963 by voter referendums approving the political consolidation of the city of South Norfolk with the remnants of the former Norfolk County, which dated to 1691. (Much of the territory of the county had been annexed by other cities.) Chesapeake is the second-largest city by land area in the Commonwealth of Virginia, and the 17th-largest in the United States.

Chesapeake is a diverse city in which a few urban areas are located; it also has many square miles of protected farmland, forests, and wetlands, including a substantial portion of the Great Dismal Swamp National Wildlife Refuge. Extending from the rural border with North Carolina to the harbor area of Hampton Roads adjacent to the cities of Norfolk, Portsmouth, Suffolk, and Virginia Beach, Chesapeake is located on the Atlantic Intracoastal Waterway. It has miles of waterfront industrial, commercial and residential property.

In 2011, Chesapeake was named the 21st best city in America by Bloomberg Business week.
