

595 VALVERDA STREET, SUPPLY, BRUNSWICK

SOLD

Great opportunity to obtain a fabulous lot in one of the most sought after developments near the surf and sand of Holden Beach. This themed development offers homes in the Charleston style. Each section of the development is dedicated to specific construction requirements. This makes for an interesting and attractive "home town" atmosphere. The development is water front on the Intracoastal Waterway. It boasts a marina and Dock Master, boat ramp and Dock House. The Manor House style Clubhouse contains an indoor pool, indoor hot tub, exercise facility, library, kitchen, and dining room,. There is an outdoor pool and large deck. You will enjoy the walking trails, the bbq/picnic area and the Beach Cabana on Holden Beach. The development is located in a maritime forest, so there are lots of beautiful trees to accent your property. Seascape is approximately 5 miles from the beach. Holden Beach provides a quiet atmosphere and a little commercial development on the beach. It is located near shopping and restaurants. Myrtle Beach SC is approximately 45 minutes away going south and Wilmington NC is about 45 minutes north.
