

759 COX ROAD, WASHINGTON, BEAUFORT

SOLD

Waterfront lot on Broad Creek close to Washington Country Club . The lot has completely grown up in brush and needs bushhogging. There is a 2 bedroom home on the property, that may be a tear down, or a major fixer upper. However, county water is on site and a two bedroom septic is in the ground. Lots of potential here with some sweat equity. No restrictions, that we are aware of. Buyer to determine if any restrictions apply.
