

1052 MAYFAIR WAY, SUNSET BEACH, BRUNSWICK

SOLD

Least expensive home site in all of Ocean Ridge. This home site can be purchased with 1028 Crosy Circle and 1024 Crosby Circle. The owner of this home site will have access to all of the great amenities offered in Ocean Ridge including a heated indoor pool, sauna, steam room, a jacuzzi, a fitness center, a banquet room, pickle ball courts, a huge outdoor pool, walking trails, a community garden, a nature pavilion, and last but not least, a beach clubhouse on world famous Sunset Beach. This .27/acre home site backs up to a pond and is in the Jaguar's Lair section of Ocean Ridge. It's great land and very close to the beaches. Roads and utilities are only partially in this section so this is a buy and hold to build on later, an investment, or to use the great amenities. These home sites sold for substantially more money when they initially released this section of Ocean Ridge. Same owner for 1024 Crosby, 1028 Crosby, and 1052 Mayfair. All 3 can preferably be purchased together.
