58 acre Hunting and Timberland for Sale in Halifax County NC! Located off Adcock Rd, in some of the best deer hunting territory in Halifax County NC, this 58 acre tract has everything you need for the perfect hunting hideaway. Bordered to the east by the run of Moore's branch this property has the perfect mix of food, water and cover. Excellent stands of mature hardwood timber and smaller sections of mixed in pines provide ample browse and cover. If you have been looking for the perfect hunting hideaway this property is right for you.

This property is gated off and has a deeded access from Adcock Rd, see the attached survey in the property documents. There are miles of good roads cut and you are able to access almost the entire property by pick up truck. The property boasts fantastic topography that offers numerous draws and ravines that run to the creek and provides excellent locations to set stands and blinds. This property truly has it all!

There is ample open land for hunting, including NC Wildlife Commission land and land for lease by private landowners. Halifax County and neighboring Northampton County consistently alternate in ranking #1 and #2 in North Carolina for both White-Tailed Deer and Wild Turkey harvest. However, hunters will also find that Halifax County is home to a wide variety of other game, including bear, raccoon, opossum, fox, squirrel, rabbit, quail, bobcat, beaver, groundhog, nutria, coyote, skunk, pheasant, duck, merganser, coot, dove, goose, grouse and more.

Fishing in Halifax County, NC is both a recreational activity and a serious sport. With Lake Gaston, Roanoke Rapids Lake, the Roanoke River and myriad creeks and ponds in our area, there are ample opportunities for the serious sportsman or the novice fisherman of any age to wet their hooks. The most popular sport fishing in Halifax County, NC, is to be found in Weldon, "The Rockfish Capital of the World." Every Spring Striped Bass, or Rockfish as they are known locally, travel up the river from the Albemarle Sound to spawn, providing anglers two months of keeper season and another two months of catch-and-release. However, rockfish aren't the only fish to be found here. Fishermen also enjoy the lure of shad, largemouth bass, crappie, sunfish, catfish, as well as the occasional walleye, yellow perch and chain pickerel. If you prefer someone to lead you to the best fishing spots, there are plenty of guide services available. Whatever fish you are angling for, you are certain to have a "reel" good time here in Halifax County, NC! (<https://www.huntfishnc.com/explore-halifax-county>)
