

6003 MIDDLEBROOK RD, MIDDLEBROOK, AUGUSTA

SOLD

Circa 1855 near the village of Newport on 80 acres. This renovated historic brick house makes a grand presentation as you approach in the driveway, and the inside does not disappoint. There you will find a wide two story center hall with fireplaces in each of the four rooms on the first floor, and in each of the four bedrooms on the second floor. Beautiful woodwork in all rooms, and original wide heart pine floors all over. Heavenly views from every window. Entertain your guests on the back brick patio surrounded by an Irish design stone wall. There is a fenced raised bed vegetable garden, and a quiet walled-in Secret Garden. The solar array which covers the hay barn roof provides a large part of the electrical needs of the farm. Annually taxes \$3134.
