OPPORTUNITY!!! INVESTMENT!!! If you're an investor and you're looking for a large tract of land...then this is it. Over 53 acres just past the Virginia Welcome Center when you're headed south into Virginia. Lots of customer potential as this could be one of the first business locations entering Virginia. Or if headed north...one of the last before leaving Virginia. Land should be suitable for a shopping center or other commercial use. Also could be subdivided into a nice residential area. Lots of potential. Don't pass up this opportunity! Seller may consider owner financing with the right terms...which are negotiable. Make an offer.
