

209 BRUNSWICK AVE, BLACKSTONE, NOTTOWAY

ACTIVE

New Price Improvement!! This spacious Cape Cod has lots of original character and charm and located in one of Blackstone's quietist, family-oriented neighborhoods. From the dining room columns to the kitchen pocket door to the brick fireplaces, this home has so many quaint features of ole style yet with modern appeal. Step into the foyer to view the living room with gas logs fireplace to the right and the dining room with chandelier to the left. Follow on to the kitchen to find granite countertops and stainless steel appliances, even a pantry. The breakfast nook is right off the kitchen with a view overlooking the backyard. Continue past the laundry room onto the library/office/bedroom space and full bath. Upstairs, find 4 bedrooms and full bath with whirlpool tub. The walkout basement has a grand gameroom with kitchenette and half bath. The mechanical and extra unfinished room provides good storage. The interior has a fresh coat of paint throughout, new dual zone HVAC and refinished floors. Don't miss the patio out back and double carport for off street parking. Close to downtown shopping with FASTC and Fort Barfoot only minutes away. Add this home to the must see list!
