This property is great for a horse farm, or build that custom home you have been dreaming of on a couple acres and continue the farming operation. The back acreage has the entire perimeter outlined by mature trees which offers that country feel and still offers those big sky views. Sit on your back porch and watch the wildlife and the sunset. It has many possibilities. Large enough for almost any recreation that can be had in the country. Only minutes from schools, shopping, restaurants, banks, and a Hospital. Convenient to all of Hampton Roads.-

Chesapeake is included in the Virginia Beach–Norfolk–Newport News, VA–NC MSA. One of the cities in the South Hampton Roads, Chesapeake was organized in 1963 by voter referendums approving the political consolidation of the city of South Norfolk with the remnants of the former Norfolk County, which dated to 1691. (Much of the territory of the county had been annexed by other cities.) Chesapeake is the second-largest city by land area in the Commonwealth of Virginia, and the 17th-largest in the United States.

Chesapeake is a diverse city in which a few urban areas are located; it also has many square miles of protected farmland, forests, and wetlands, including a substantial portion of the Great Dismal Swamp National Wildlife Refuge. Extending from the rural border with North Carolina to the harbor area of Hampton Roads adjacent to the cities of Norfolk, Portsmouth, Suffolk, and Virginia Beach, Chesapeake is located on the Atlantic Intracoastal Waterway. It has miles of waterfront industrial, commercial and residential property.

In 2011, Chesapeake was named the 21st best city in America by Bloomberg Businessweek.
