SOLD

Middle Island is a world unto itself! Peaceful, serene, "off the grid" so to speak. MI provides a beautiful cacophony of nature's music. The beautiful colors of nature's artwork dance across the marsh creek at sunset. And, from some areas, the powerful roar of the ocean beckons. This lot boasts ideal views of the marsh creek. Beautiful trees and excellent site location. Should you choose to join, MI has a private dock and beach entrance.
