Old Gaston Road winds through the rolling hills and gives you direct access to your property. The land is wooded with a variety of mature hardwoods and pines. The property has excellent topography and ranges from 210 feet to nearly 280 feet of elevation, providing you with beautiful views and many choices on where you can build. Deer and turkeys are just some of the abundant wildlife you can expect to see. All the lots within Old Gaston Hills are on at least 10 acres, providing plenty of privacy and seclusion. A state maintained boat ramp on Roanoke Rapids Lake is right down the road and Lake Gaston is only minutes away! There are excellent opportunities for fishing, waterfowling and boating on both lakes.
