0.83 acres of Residential Land For Sale in Lenoir County, NC! This corner lot is perfectly positioned in the back of the "Sand Castle Village" subdivision where the surroundings are quiet and peaceful. Located only a handful of minutes outside of Kinston, this lot is perfect for a family looking to be far enough away from the town to be in the country, but close enough from a quick trip to the store. With the well maintained roadways and county water along them, all this lot needs is a water tap and septic system and it's ready to be moved on!

Kinston is a growing town with many good attractions including delicious foods, many stores, and only a short distance from the coast!

Kinston got its start after the civil war and the lumber and cotton mills grew with the surrounding railway systems. Then in the 1900s Dupond was created which made Kinston explode with growth; "Later growth came from a DuPont plant for the manufacture of polyester fibers, and manufacturing plants for pharmaceuticals. Growth finally slowed following the 1960s, with the shift in textile production overseas" (Wikipedia).
