ACTIVE

Clearly a little bit of history is offered here, this beautiful farm land was once an old tobacco plantation. And with the addition of the surrounding properties added by the current owners lends this to be one of the few unspoiled large acreage tracts available on the market today. Boasting over 470 +/- acres with maintained winding unpaved roads throughout, several pastures and fields enhancing the ambiance and access. Situated along one of the major highways and just a few miles from the beaches and golf courses the location is conducive for a future residential community.
