

362 SCHWEERS, MOUNT PLEASANT, CHARLESTON

SOLD

Views! Views! Beautiful waterfront home in the Old Village with panoramic views of Charleston Harbor from the Ravenel Bridge to Ft. Sumter. Built by Structures Builders, this masterfully crafted home features shiplap siding and heart-pine flooring throughout. The 1st floor has a chef's kitchen that is functional and efficient with expansive views of the harbor. Double mahogany French doors open to a large screen porch from the dining and living room areas. The 2nd floor master suite has a custom built-in headboard placed for full views of the harbor. Dual bathrooms and walk in custom closets make the master suite very functional. And you can relax on the master suite private deck too. The guest wing includes a downstairs guest suite and 2 additional suites with private bathroomson the 2nd level. There is also a large light-filled game room on the lower level. The home has an office/study with pickwick paneling and is located on the street side with views of the harbor. Enjoy the saltwater pool and take a short walk to enjoy boating from your private dock with a 10'x28' floating dock, 9000 lb capacity boat lift and 2 jet ski lifts. If outdoor Lowcountry living with some of the best views in Charleston is your desire, then this home is a must see! *Please note: Wando and Lucy Beckham high schools are under a phase-in structure through 2023 based on grade level. If high school location is vital, call the school district to verify.
