

## 334 GRIFFIN, SUMTER, SUMTER

**SOLD**

Enjoy peaceful living at 334 Griffin Lane! The home is approximately 1060 SF with a newer roof that was installed within the last few years. The home features 2 bedrooms and one bathroom, with two additional rooms at the front of the house that can be used as an office, playroom, or flex space. The laundry room is off of the side entrance of the home. There is a large shed just past the carport that gives a great deal of additional storage. An added bonus - the property has a mature fig tree and large muscadine vine and both produce well.
