Great property for the outdoor enthusiast. -Rare property that has agricultural, planted pine timber, cypress marsh where you can hunt deer, turkeys, and ducks! -This property consists of around 45 acres of agricultural land, 20 acres of planted pines, and the remaining is a cypress swamp along the Neuse River. There are some open areas in the marsh for ducks. During the walk through, we saw turkeys and wood ducks along with deer tracks throughout the property.

The property is located minutes from Goldsboro, but far enough to enjoy the country living. Close to 1 hour from Raleigh and 25 minutes from Kinston.-

This land would be great for a homestead, or continue to lease the farmland to a local farmer while enjoying all the opportunities of the wooded property. -There are a few bottleneck areas where deer funnel into the fields providing a great location for blinds or tree stands.
