

## 4576 CAROLINA, DENMARK, BAMBERG

**SOLD**

This magnificent home with high ceilings, workshop in the backyard, a beautiful porte cochere, and a large fenced in backyard was once owned by the local Denmark Coca-Cola family. It is loaded with history, and has been loved, updated, and extremely well maintained over the years. Located just minutes away from many churches, restaurants, stores, and schools. The home has beautiful original hardwood flooring throughout most of the house. The kitchen has a pantry, an island, and recessed lighting. The home has a covered front porch and a screened-in back porch with a deck overlooking the backyard. Seller may consider offering an interior paint credit with an acceptable offer.
