ACTIVE

Large farm tract of land with growing timber and wide road frontage approx. 4300 feet available for housing if desired located just south of Clinton. This large 207 tract of land is within a 50 minute drive of Wilmington with easy access off of I-40. Excellent location for hunting with the back portions of both properties joining a creek which flows into the Six Runs Creek/River downstream. Farmland is currently being leased to a local farming company. Great investment property.
