SOLD

Gorgeous Four Bedroom Lakefront Home in Carolina Forest within minutes of Myrtle Beach! -

Gorgeous four bedroom, 2.5 bathroom-home in Avalon Plantation at Carolina Forest. Not only is this one of the few bedroom homes available in all of Carolina Forest, it is well maintained and has some unique features that many other homes in Avalon lack. First floor has hardwood and tiled floors in great room, kitchen, dining room, and the large Carolina room. Kitchen is full of upgrades including exquisite cabinetry, Corian countertops, large ceramic sink, and a new set of stainless steel high-end appliances with a double oven and an extra large french-door-refrigerator. The Carolina room opens to a 16ft x 18ft screened lenai overlooking a very spacious back yard with gorgeous lake views. The fenced-in yard also has a 12ft x 12ft utility building on its own slab. The "Valley Forge" model may be a common plan in this development, but this particular version is not one of the run of the mill homes in Avalon. This home will NOT LAST LONG!
