All wooded tract with over 1,000 feet on Three Creek. Great location for custom home site or a weekend getaway. Soil maps indicate good for a conventional septic system. Wildlife abounds in this area. 10 minutes from Emporia where you can find restaurants, banks, groceries, and many other amenities. Replanted pines are 4-5 years old and wont be long before they will be towering and easy to walk through and hunt. Now is a good time to make trails or plant food plot. Greensville County was established in 1781 from Brunswick County. The county is probably named for Sir Richard Grenville, leader of the settlement on Roanoke Island, 1585. There is also belief that it may be named after Nathanael Greene, a major general of the Continental Army and one of George Washington's brightest officers.

Lake Gaston is a hydroelectric reservoir in the eastern United States. Part of the lake is in the North Carolina counties of Halifax, Northampton, and Warren. The part extending into Virginia lies in Brunswick and Mecklenburg counties. Lake Gaston is roughly 35 miles long and covers over 20,000 acres, with 350 miles of shoreline.
