

526 AQUILLA, BENSON, JOHNSTON

ACTIVE

"Discover the Perfect Opportunity for Future Subdivision Development!" Introducing an exceptional piece of land that holds immense potential for future subdivision development. Infrastructure connections readily available, including water, electricity. Private septic. Phases 2, 3, & 4 of the future Eagles Landing subdivision should yield approximately 76 lots. Lot lines in the pictures are representative of each phase. Phase 1 is also available, MLS Lot lines are estimated only. A new survey is needed. The tax value represents the entire 152 acre tract.
