

STRATFORD, HENDERSON, VANCE

ACTIVE

Great opportunity for a developer to design and build this part of the very popular Stratford Hills Development. Water and Sewer are on or near the property. This property is covered by existing Restrictions which appear to still be active. In addition to this 30.44 acres there is 13 lots already plated and on the ground. Opportunity to start building while you developing the land contiguous with the Development. These lots are offered separately at MLS #
