

0 CHERRY LANE, MADISON HEIGHTS, AMHERST

ACTIVE

Attention developers or those potentially looking into wanting to build your own subdivision in the future. This +/-12.97 acres of undeveloped land could be for you. The seller previously had Berkley, Howell, & Associates complete a preliminary site plan water/sewer layout for subdivision in 2011, but did not move forward with county to develop. This could be your chance to possibly develop this land into your own. Land is zoned R-2 for single family residences, surrounded by well established area, close by stores, restaurants, schools, banks & much more! Come see if this is your next project today for development.
