

421 MCKEE, KINGSTREE, WILLIAMSBURG

SOLD

Introducing 421 McKee Road, Kingstree, South Carolina - a stunning four-bedroom, one-and-a-half bath river house nestled on the serene Deepwater Black River. This delightful property boasts a dock and a floating dock, perfect for leisurely boat rides. Enjoy outdoor cooking with a cook shed with everything you need to cook for a family and friends gathering. This property truly has everything you need to host events year around. The fire pit with sitting around to look out at the river will sure be a winner for all guests! Inside, the upper level charms with two bedrooms, a full bath, a kitchen, and an eat-in area adorned with old, wide-plank heart pine floors. The lower level offers two additional bedrooms - one with a queen bed and the other as a bunk room. Relaxation extends beneath the house, where seating awaits you. There's also a detached shed and storage area for added convenience. This river house has everything you need for the perfect weekend getaway. Bask in the tranquil ambiance, unwind on the dock, and embark on river adventures in your very own boat. Your slice of paradise awaits!
