

395 CORNER LAKE, GRAYS, JASPER

ACTIVE

Own a private 20 acre country retreat with native populations of deer, turkeys, and quail. Dig ponds and plant for ducks! Build a family cabin for hunting weekends in the fall and winter. This is truly a lifestyle decision for a very nominal price. Wetlands are no issue. This 20 acres of pristine woodlands is to be subdivided from a 47.182 acre tract (057-00-07-009).... It has 300 ft of frontage on Corner Lake Rd and is about 2,926 ft deep...ending at a state-owned fresh water preserve. There is internet service by Brightspeed and Spectrum in the area. The property is in Grays. The town of Yemassee is 6 minutes away and it's another 11 minutes to reach I-95. Seller will place a deed restriction on the property at closing disallowing mobile homes on the site.
