

KERSEY ROAD, AMHERST, AMHERST

ACTIVE

Over 23 acres in western Amherst County features gorgeous hilltop building sites with stunning Blue Ridge Mountain views, a small brook with potential for pond development, and two separate parcels with two approved drainfield sites allowing for future division. Long state-maintained road frontage on a quiet country road invites you to create your dream property. Exceptional hunting with premium wildlife habitat and a desirable location in one of Amherst County's most serene settings! Additional adjoining parcels available for sale: 8.798 acres for \$89,000, 22.75 acres for \$149,000, and 19.606 acres for \$124,900.
