

## KERSEY RD, AMHERST, AMHERST

### ACTIVE

Over 22 acres privately situated along a quiet, state-maintained country road offers supreme views of the Blue Ridge Mountains from gorgeous hilltop building sites. Consisting of three separate parcels with three approved drainfield sites offered as one property, this exciting offering features future division potential, long road frontage, existing winding entry road, and premium wildlife habitat for hunting and recreation. Additional adjoining property available for sale: 19.606 acres for \$124,900.
