Nestled in the heart of Greene County, NC this expansive 22.8 acre farm offers an exceptional opportunity for both agricultural enthusiasts and those seeking their ideal homestead. Conveniently located near Greenville and Wilson NC, this property boasts a prime location with easy access to the amenities these cities have to offer.

A unique feature of this farm is its 4 acres of fertile farmland, perfectly suited for a variety of agricultural endeavors. Previously utilized for shrimp and striped bass production, these (4) 2 acre fish ponds are equipped with electric and well infrastructure. The well produces an impressive 90 gallons per minute, insuring a steady and reliable water supply for your aquaculture needs. Additionally, a 1 acre natural pond is on the property. During the winter months water fowl visit the ponds. Exceptional bass, bream, and crappie fishing on this pond provide both recreational enjoyment and potential revenue streams. On the back side of the property there is approximately 1 acre of timberland.

This farm presents an excellent opportunity for those to enter the world of aquaculture, with the existing infrastructure and prime location make it an ideal starting point. Alternatively, it could be transformed into the perfect homestead for those seeking a tranquil rural life style. Don't miss your chance to own this versatile and picturesque piece of property in Greene County. This property offers a unique combination of agriculture, aquaculture, and natural beauty, all within reach of the vibrant communities of Greenville and Wilson.
