2.73 Acres of Residential Land and Timberland For Sale in Bladen County, NC! With easy access provided by NC Highway 87 E, this property offers a perfect balance between accessibility and seclusion, making it an attractive choice for those interested in building a private residence, a weekend retreat, or even pursuing a small-scale agricultural venture. The acreage, with its mix of wooded and cleared areas, grants you the freedom to design your dream space in a natural setting.

The majority of the land is covered with mature woodlands, creating a serene and private environment. Towering trees provide shade and a tranquil backdrop, making this property an excellent option for nature enthusiasts. The wooded area also presents opportunities for wildlife observation and a connection with the surrounding natural landscape. Additionally, the property includes a small, partially cleared area, enhancing its potential for various uses. This cleared space is well-suited for gardening, small-scale farming, or as a starting point for a cozy home site. It allows for customization and expansion according to your vision, offering the best of both worlds: the tranquility of the woods and the convenience of a cleared space for your specific needs.

None of the property falls within the FEMA floodplain. It is not located within city limits, and there are no deed restrictions. A soil evaluation is available that confirms the suitability for a conventional septic system.
