

117 NORTHPOINT DRIVE, WILLIAMSBURG, JAMES CITY

ACTIVE

This land is an excellent 4.24 acre waterfront lot directly on College Creek, a navigable tributary of the James River. The popular community of Kingspoint is just a few minutes from the College of William & Mary and the restored area of Colonial Williamsburg. Two richly wooded points of land provide your choice of building sites for your new custom home. Located the end of a cul-de-sac street with waterfront privacy, the land is very convenient to the swimming pool, tennis courts, clubhouse, and boat ramp of the Kingspoint voluntary recreation association. It is extremely rare and special to have this much water frontage so convenient to downtown Williamsburg.
