

307 QUEEN STREET, EDENTON, CHOWAN

ACTIVE

RARE, RARE, RARE! A residential building lot in Edenton's downtown district is a unicorn listing! A former mobile home park recently cleared, this parcel is ideal for single family residential with a spacious yard, or - investors take note - subdivide for multi-family use. Situated between our famed Edenton Cotton Mill neighborhood and Downtown shops & restaurants, and across the street from what has been discovered to be one of North Carolina's oldest standing homes, the location is prime. Possibilities abound!
