

2555 MOUNTAIN VIEW ROAD, POWHATAN, POWHATAN

SOLD

Empty lot in established subdivision for sale! This lot used to have a mobile home on it and still has existing septic and well on lot. Seller has no knowledge of its current condition and is selling as-is. Buyer will need to call Health Department to get last inspection and rating on septic and well. Located in the desirable Red Lane subdivision, this lot is great for a developer to build on or a home owner to build their dream home. Road frontage is county owned and VDOT maintained. County allows for attached and detached accessory dwellings in this zone, which makes it great for building your dream home with an in-law suite or a detached office/dwelling. Not in a flood plain, no shrink soil, no streams. Sellers also have neighboring lot 0 Mountain View Road for sale.
