

2695 BETHEL CHURCH ROAD, GREEN BAY, LUNENBURG

ACTIVE

Unique property. Unfinished home with a finished garage apartment and a studio apartment on the property as well. The builder had big plans for the house! Nearly 4,000 sq ft with at least 4 bedrooms and possibly up to 6! 3 definite bathrooms but there could be more! 3 levels with walk out basement. Big stone fireplace. Central heat and air(not turned on for many years). Metal roof. Porches front back and side! Approximately 1400 sq ft 2 car garage/workshop with attached 2 bedroom apartment-finished! Also sweet little one bedroom efficiency apartment separate from house and garage. Peaceful country setting. Buyer will need to spend \$100-150,000 to finish the house but it could be quite incredible!
