

303 LANCE DRIVE, WILMINGTON, NEW HANOVER

ACTIVE

Located in one of the best locations Wilmington has to offer, land like this doesn't hit the market often. Located 5 minutes to Wrightsville Beach and surrounded by incredible shopping, this is as good as it gets! Sold along with 4 other parcels, this property totals just under 2.5 acres, offering ample development opportunity. E Westwood Dr. backs up to the gated, golf course community of Landfall on one side and the proposed, upscale mixed-use development of The Avenue, on the other. With land becoming more and more scarce in such close proximity to Wrightsville Beach, this is an opportunity that you don't want to miss!
