

2483 RIVER BLUFF, MOUNT PLEASANT, CHARLESTON

SOLD

Deep water pristine home nestled along the Wando River with state of the art dock and gorgeous swimming pool. The home was completely renovated in 2009 to provide for a quintessential coastal lifestyle. Upon entering the home, you are greeted with an open floorplan with beautiful vistas of the lush backyard and river views. On the main level enjoy beautiful tall 10 foot ceilings, gleaming hardwood flooring throughout, fabulous chef's kitchen open to both the breakfast and family rooms with fireplaces in each of these areas. The gourmet kitchen is equipped with high end appliances, an impressive island, natural stone countertops, farmhouse sink, counter seating and tons of storage. Additionally on the first floor enjoy a handsome study, lovely porch overlooking beautiful vistas, separate living room complete with another fireplace and two en suite guest bedrooms. The primary bedroom suite is embellished with sitting area, fireplace, multiple closets for him/her and lovely second story porch overlooking the river and backyard oasis. On the ground level enjoy the loggia area complete with remote screens that seamlessly flows to the pool, beautifully landscaped yard and outdoor fire place. Additional spaces on this level include a media room as well as another flexible space perfect for exercise equipment, play room or even perhaps a wine cellar. Truly, this home has it all if a coastal lifestyle is desired with the added benefits of a community that provides walking trails, golf, tennis along with country club and clubhouse.
