

LOT 12 FIELD TRIAL ROAD, LANCASTER, LANCASTER

ACTIVE

5.36+/- Acres in Lancaster County VA! Excellent place to build your home and enjoy the quiet life! Several new homes have gone in and are still going in this area meaning your property values should go up from here! 5.36 acres gives you plenty of leg room but still has the affordability of a small building lot. 300 feet of road frontage gives you plenty of space for a driveway and the mostly level contour gives you multiple homesite spots and still allows for some character to your property layout! This property has Electric at the road front area. Well and Septic required presently.
