

## 0 NC-903, STOKES, PITT

### ACTIVE

Amazing timber tract and prime investment opportunity in Pitt County! This nice 232 acres on Hwy 903 has a very nice stand of mature pines and a mix of younger loblolly pines and offers management options. The property has approximately 1475 feet of paved road frontage and about 10 miles to Greenville. Would be fantastic tract for multiple homesites. There is great access with a nice trail system through the property. Saw Timber was Thinned in 2021.
