

## 4796 DEWITT, BLACKSTOCK, CHESTER

### ACTIVE

Approximately 64 acres of beautiful South Carolina land where you can farm, raise animals, hunt, and enjoy the country life. Home is 1/3 of a mile off the paved road providing you privacy and seclusion from neighbors. This log home, built in 2006, is positioned perfectly on the acreage for optimal views of the rolling terrain and the sunrise and sunsets. The home faces the west and is built over a walkout basement with a porch on 3 sides. The primary, kitchen, dining and living room are situated on the main level, with 2 bedrooms upstairs and 2 bedrooms below in the basement. The metal barn building is approximately 30 x 40 and has a feed/tack room, 2 stalls (more could be added) and a wood burning stove for a man cave area. Attached to the barn is 10 x 40 lean to for extra equipment storage. 15 additional acres are available for purchase. Don't miss out on an opportunity to own this mini "Yellowstone" style property here in Blackstock, SC.
