

## LOT-A+ 00 OLD GASTON EXTENDED, GASTON, NORTHAMPTON

### ACTIVE

Located just northwest of Roanoke Rapids, NC in the Gaston Township in northwestern Northampton County, NC, you'll find this secluded +/- 4.49-acre one of a kind multi-use property! This property is the combination of lots 1-6 (.49-acres) & 7, 8, D (4.0-acres) in the Vulture Lakeside subdivision, and as depicted on the county tax cards. Altogether, the property being offered is +/- 4.49-acres in size and consists of an open area for a homesite with the remainder in mixed hardwoods and planted loblolly pines. What makes this property special is its location at the end of the state-maintained road and the amount of frontage along the Roanoke Rapids Lake! The property has approximately 825ft of frontage along the Dominion Energy shoreline of the Roanoke Rapids Lake. From the property, you'll witness some of the most gorgeous sunsets you could imagine and observe the abundance of wildlife while enjoying this little piece of heaven. Various species of birds, waterfowl, reptiles, and fish call the river area home, including the occasional bald eagle! The water frontage is not on the main channel of the river, providing a cove-like atmosphere free of wake concerns from passing boats. In addition to the water features, the area has good deer hunting opportunities, too! As a bonus, the North Carolina Wildlife Resources Commissions, Vulture Access Area is less than a half-mile from the property (773 Old Gaston Rd, Gaston, NC). It has a small dock, a boat ramp and parking for vehicles and boats trailers. Although this property doesn't have a dock permit, this public ramp allows you to get your boat into the water for a day of fishing, wildlife viewing and duck hunting when in season! The water depth is shallow and looks perfect for jon boats, rowboats, kayaks or canoes. Larger boats may need to access this portion of the river from the North Carolina Wildlife Resources Commissions, Fifth Street Landing Access Area (1919 W 5th St, Roanoke Rapids, NC) that is approximately 21-minutes from the property; or the Thelma-Roanoke Rapids Lake Access Area (1011 Van Warren Rd, Roanoke Rapids, NC) which is approximately 29-minutes from this property. Both have larger parking areas and more docks/piers.
