

3119 PALMETTO, EDISTO ISLAND, COLLETON

PENDING

Homes are meant for living. It is where we spend a majority of our lives. This beautiful Beach Home....is IT. Newly renovated kitchen with new appliances and updated baths. The open concept of the living area features a lovely new fireplace, all new high impact windows, new paint, blinds and even door hardware and lighting fixtures. There is space for everything in the kitchen to take care of your needs with granite counters, SS appliances, and plenty of cabinetry for all your cooking essentials. You cannot go wrong with the purchase of this home that has had full time residents for over 3 years. From the moment you walk in you will feel the love and care this home has received. Did I mention the views of the Ocean and sunsets from the front deck? This is a home you MUST SEE! from its owners. The outdoor venue has niches crucial once life takes you on its journey, and you're trying to find moments of peace. You will find it here in this beach beauty with breathtaking sunsets. The work of a home doesn't just end at the outer facade. What matters is what happens inside, and how you will make it the best possible space for you and your family. This home hits the mark!
