

2906 ALVARO STATION, BOLIVIA, BRUNSWICK

ACTIVE

Lovely home-site in lovely gated community with community Kayak/canoe center, dock and walking areas. This home-site is positioned so the ally-way behind home is where the driveway will be. County Water available. This community has architectural styles and this section is for Conch Style Homes. The ARB would need to approve all plans for construction. This community is a close drive to Historic Southport, Oak Island, and Historic Brunswick Town. Wilmington and Myrtle Beach are easy drive. You can use any builder you want in Seawatch but they must be a true custom home builder with a resume of custom home building in order to qualify.
