

22590 CRIDERS RD, CRIDERS, ROCKINGHAM

ACTIVE

A rare property consisting of 212.383 acres* that you can enter from a paved road and drive several miles of roads throughout the property that borders the National Forest on two sides. You'll be taken with the beautiful mountain and valley views from the higher elevation from the open fields. Even though listed as land for sale, the property was farmed for many years and has an old farmhouse with a well, septic, electric and farm buildings with all being sold "as is" "where is". Imagine yourself hunting, hiking, riding the trails or seeing the breathtaking views and being mindful of the tranquility that this beautiful land offers. Sit back and enjoy the video and pictures! *1.816 acres added 4/9/25 for a total of 212.383 acres.
