

581 LINDGROVE PLACE, OCEAN ISLE BEACH, BRUNSWICK

SOLD

Great home site in a very desirable section of Ocean Ridge. Some large and absolute beautiful custom homes in this section of the community. .42/acre. This home site once sold for over 4 times this amount! Nice tree coverage and a quiet street with a few high-end custom homes under construction at the moment! This part of the neighborhood was set up to quite possibly be the very most elite section of the entire community! Ocean Ridge is home to 4 golf courses, 2 golf clubhouses, an amenity center clubhouse with an indoor pool, outdoor pool, sauna, steam room, fitness center, a banquet room, a community garden, more social activities than I can mention, and last but not least, the beach clubhouse on the locals' favorite, Sunset Beach!
