

PLANK (TRACK 2), SANFORD, LEE

ACTIVE

Escape the city and enjoy life on this extraordinary 44.64 acres of breathtaking, wooded land that's priced to sell! Build your dream home and wake up to gentle light filtering through the trees and the sounds of chirping birds and rustling leaves. Or create a multi-generational retreat where loved ones can gather, create memories, and share in the beauty of nature. Create and explore your own private trails. Plant a garden. Go camping. Start a small farm. Harvest the timber. The possibilities are endless! This is more than just land - it's an investment in your future. County water runs along S Plank Rd and electricity is readily accessible. A deeded easement, CKS Ln., ensures easy access to your paradise and is shared by neighbors. What I love most about this property: The land is mostly flat, and while the mature trees are plentiful, there's plenty of space to easily create walking paths. The property feels peaceful and private, while not feeling totally isolated. The neighbors I've met have been very friendly and helpful.
