

## 218 THOMAS LOOP ROAD, JACKSONVILLE, ONSLOW

### ACTIVE

Just under 10 acres of pristine land. Close to town yet far enough away to provide ample peace and quiet, this large parcel would be perfect for someone looking to build their homestead and still have room for horses and other livestock. If it's a development you are looking to establish, this 9.74-acre parcel provides ample space to establish multiple homesites. The land is currently wooded so there may also be opportunity to harvest the trees. The parcel has 392 feet of road frontage off Thomas Loop Rd along with a road/easement running the entire length up the left side of the property. Previous buyer had a soil evaluation completed and there are a number of areas where soil is suitable for a septic system. Records are available to review. Make your appointment today to see this exceptional property.
