

## BRINGLE FERRY, DENTON, DAVIDSON

### ACTIVE

Presenting an exceptional investment opportunity in Davidson County, North Carolina: a substantial property located in the High Rock Dam Bluffs area. This expansive property features lake views along High Rock Lake and water frontage along Tuckertown Reservoir. With road access, offering significant development potential for residential communities, luxury estates, or recreational facilities. High Rock Lake, the second-largest lake in North Carolina is renowned for its natural beauty and abundant wildlife. The lake offers excellent fishing opportunities, particularly for largemouth bass, as well as recreational activities such as boating, kayaking, and hiking. The property's strategic location combines tranquil lakeside living with convenient access to nearby towns and amenities, making it an attractive prospect for investors seeking a versatile and picturesque development site. ?
